

Drama 7 Cinderella Production moved to next week...

Due to the weather forecast over the next few days, I have decided to postpone our production of Cinderella to next week, rather than have the youngsters from CES face the blowing snow/rain. The 7A class will present at 10:30 on Wednesday, May 12. Our 7B class will present at 2:30 on Thursday, May 13. Parents/guardians are welcome to attend and take photos/video. Thank you for understanding the delay.
