"Fable Fool's Tango"

A parody of the "Cell Block Tango" written by Nicole Swen and Melissa Moffat

Big Bad Wolf 1: You know how
neighbours have these little habits that
get you down?

Like, Porky- Porky, he liked to chew
gum

No, not chew, pop

So I'm trying to sleep one night

And I'm really irritated

And you know how straw houses have
no insulation

And there's Porky, lyin' in his filth,

snortin', snufflin', and chewin'

No, not chewin' -poppin'

So, I ask him, I says "Could you kindly
stop that?"

And he didn't

So I took three calming breaths

You know, like my mutha taught me

How was I to know I was that strong?

Big Bad Wolf 2: We weren't just cursed
with one bad neighbour, we had three

The second one, Hambone

Let's say we didn't hit it off right away

He asked me if he could park ONE

SINGLE car on my street

I said sure, but each day he shows up
with more cars

Thinkin' I won't notice

"Single" he told me

Single, my tail

Not only did he have one car

Oh no, he had six cars

One of those motorheads, you know?

So one day when I was leavin' for work

I backed out nice and slow-like
But with all those cars in the way, I didn't
even see 'im

Big Bad Wolf 3: Now our third

neighbour didn't grow on me

I'm minding my own business

When in rolls Wilbur with his bobcat and

brick house

And plops it down

I kept on screamin'

"You squashed my begonias"

But he wouldn't listen- I was furious

and would you get this -He even ran over
my tail

Big Bad Wolf 4: Do you know what it

feels like to not have a friend?

To have to play chess all by yerself?

So I see's this little shepherd boy-

Surrounded by sheep

I says to myself -This boy knows how to
make friends

So I sneak up behind him

Don't want to scare im

And he runs off screamin' and cryin' wolf

like I was gonna eat 'im

ALL: Yeah, but did you do it?

Big Bad Wolf 4: Uh-uh, not guilty!

Big Bad Wolf 5: My best friend, Little

Red and I were a double act

And her grannie, Cicero loved us equally

In Grannie's eyes, we could do no wrong

She gave us all sorts of praise for

Colouring, baking, acrobatics

Back flips, flip flops -One right after the
other

<p>So this one day Little Red, grannie, and I are crafting as usual The three of us, gluein", but that day Grannie -</p> <p>She paid me one too many compliments</p> <p>And Little Red, saw red A few days pass, and I open my door And there's Little Red with a note telling me we can't be friends any more</p> <p>It was heartbreaking of course Well, I was in such a state of shock I completely blacked out, I can't remember a thing</p> <p>It wasn't until later when I was was loosening my belt I even knew they were gone (burp)</p>	<p><u>Big Bad Wolf 6:</u> I loved Gingy Lipschwitz</p> <p>More than I can possibly say He was a real <u>crumbily</u> guy- flavourful, and golden</p> <p>But he was always showboating and <u>braggin'</u> about <u>imself</u></p> <p>He'd go out every day running past houses</p> <p>Yelling, I'm the fastest</p> <p>He taunted Red Hen, bullied the tortoise, and goaded that Bolt guy I guess you could say our friendship hit an impasse</p> <p>The distance just became too great He saw himself as the fastest And I saw him as breakfast</p>

Participants: Destiny Calder, Violet Ferguson, Tommy Bulman, Caylin Fourie

Teacher: Matt Tokariuk

"The Art 30 students have been working hard to put together a showcase of their art. These students have spent countless hours developing their own art style, and creatively interpreting various projects with realistic and moderistic concepts. Feel free to wander around the wondrous array of images. Ask about their artistic processes or comment on your favourite pieces."

★ Special thanks to Terry Chernoff for her help with the canteen.
